

## SENECA I - RULES AND REGULATIONS

1. In order to qualify to rent this aircraft, a minimum of 20 hours total time on a multi-engine aircraft is required. A pilot with less than 50 hours multi-engine time must have completed 10 hours dual on type out of CZBA; and a pilot with 50 or more hours of multi-engine time must have completed 5 hours of dual on type flying out of CZBA. The only exception is flight tests with an TC Inspector or Pilot Examiner on board.
2. A minimum of one (1) hour currency/re-currency checkout must be completed
  - a) During daylight for rental DAY ONLY.
  - b) During night for both DAY and NIGHT rental.
3. A mandatory currency check within the previous six months is required, regardless of currency at that time.
4. A specific currency card will be issued for multi-engine pilots to reflect and record currency requirements. Flights must be one (1) hour minimum in length to qualify, and time between flights shall not exceed 30 days.
5. Pilot information and total times will be checked before issuing this card.
6. NON IFR pilots are restricted to daily rental only. IFR pilots may take the aircraft for extended periods, subject to management approval.
7. The PIC is responsible for any and all costs incurred for the retrieval of the aircraft from any base, if the pilot fails to bring the aircraft back to CZBA at the designated time.
8. During landing & take-off, the crosswind component shall not exceed the specified limits of the aircraft as published in the POH.
9. Positively NO gravel and/or grass runway take-offs or landings are permitted.
10. NO "touch-and-goes" on runways shorter than 4000 ft LDA (Landing Distance Available) as published in the current CFS.
11. Only airports that are licensed and published in the CFS are to be used.
12. The deductible amounts for this aircraft are \$2500.00 in motion / not in motion.
13. All other rental limitations outlined in the Spectrum Airways Rules and Regulations apply.

I, \_\_\_\_\_ understand, and will comply with all the above requirements.
